Your Power to Save

August 2015

Join the thousands of New Jersey homeowners, businesses and municipalities that have taken advantage of incentives offered by **New Jersey's Clean Energy Program™**. These programs provide opportunities for you to save energy, money and help protect our climate and shoreline.

LABOR DAY AND BACK TO SCHOOL SALES

*Labor Day and Back to School sales are right around the corner! If you purchase a new ENERGY STAR certified clothes washer or dryer to keep those school clothes looking their best, you can now apply for a rebate **online**. That goes for refrigerators, too!*

Select ENERGY STAR certified **clothes washers** and **refrigerators** are eligible for a rebate up to \$75. Select **clothes dryers** are eligible for a \$100 rebate or \$300 for the higher efficiency models. These energy savings models will help you keep more cash in your pocket every month!

HOW BUSINESSES CAN TRIM ENERGY COSTS

*Did you know that last year **New Jersey's Clean Energy Program** provided over \$80 million dollars in rebates to help businesses throughout NJ reduce their energy costs?*

If your business could benefit from lower energy costs (and increased cash flow), contact us to find out how to get started. Whether you are ready for a small change like upgrading your lighting, or a more comprehensive project, we have **programs** you need to hear about!
