February 2015

Join the thousands of New Jersey homeowners, businesses and municipalities that have taken advantage of incentives offered by **New Jersey's Clean Energy Program™**. These programs provide opportunities for you to save energy, money and help protect our climate and shoreline.

MAXIMIZE PRESIDENT'S DAY SALES ON APPLIANCES

President's Day is an occasion for great deals. Retailers across New Jersey are featuring sales on major appliances. Combine these great sales with rebates from New Jersey's Clean Energy Program:

- \$50 on select ENERGY STAR certified [clothes washers](#) and up to \$300 on certified [dryers](#)
- \$50 on select ENERGY STAR qualified [refrigerators](#)
- Purchasing a new fridge? [Recycle](#) your old, working one. Have it picked up for free and get \$50
- Look for the *New Jersey Clean Energy Program* logo in your retailer's lighting section as [lighting products](#) have been significantly discounted.

ENERGY CONSERVATION TAX CREDITS

April 15th is just around the corner.

What does this mean for you? If you purchased certain energy-efficient products during 2014, you may be eligible for a tax credit. Improvements such as new HVAC equipment, water heaters and insulation are eligible.

[Find out more](#) or ask your tax specialist for more information.

IN ANY SEASON, A LEAKY HOME COSTS YOU MONEY

A home energy audit is the first step in identifying areas where you are wasting energy.

A contractor will perform a detailed evaluation, and present you with recommendations on how you can put 5-30% of your energy bill back in your pocket!

[This video](#) shows what you can expect during an audit. When you are ready, the Home Performance with ENERGY STAR Program can help make those improvements a reality, with [generous rebates and low-interest financing](#).
