

# Your Power to Save

**866-NJSMART**

**January 2015**

Join the thousands of New Jersey homeowners, businesses and municipalities that have taken advantage of incentives offered by **New Jersey's Clean Energy Program™**. These programs provide opportunities for you to save energy, money and help protect our climate and shoreline.

## JOIN US AT THE NJ FLOWER AND GARDEN SHOW

*Learn ways to save energy and money at home through valuable rebates and starting with discounted lighting. We will be offering LED bulb 4-packs for only \$10 at the show. These bulbs have a lifespan of up to 50,000 hours!*

The [NJ Flower and Garden Show](#) attracts 25,000 visitors each year. Not only can you enjoy fabulous display gardens, you can learn about our clean energy programs and attend seminars. Get out of the cold and see how you can improve your home with energy savings on [LED lighting](#) and a beautiful garden!

**Visit with us at Booth #532**  
**New Jersey Convention Center, Edison, NJ**  
**February 12-15, 2015**

## GET TOASTY THIS WINTER

*Did you know that as much as half of the energy you use in your home is for heating and cooling? You can watch the savings add up when you upgrade to a more energy efficient heating system.*

*New Jersey's Clean Energy Program offers up to \$1,000 in rebates when you upgrade your heating system to a more energy efficient model, plus you get the benefit of on-going savings!*

Heating and ventilation systems require proper and regular maintenance in order to work efficiently, but even in the best case scenarios most components only last 15 to 25 years. Have your system serviced this winter, and find out more about whether you would benefit from a system upgrade.

## MORE WAYS TO SAVE

*Are you interested in learning more about your home's energy efficiency?*

Consider [Home Performance with ENERGY STAR](#) . Contractors can help you identify all the ways you can save energy and money in your home. Plus, you can receive up to \$5,000 in rebates plus a 0% interest loan up to \$10,000 for 10 years for items like heating and cooling systems, insulation, air sealing, etc.

Call a Home Performance contractor today to learn more. Warm up and add up the savings!

Check out the latest list of [rebates and promotions](#).
