Your Power to Save

January 2016

Join the thousands of New Jersey homeowners, businesses and municipalities that have taken advantage of incentives offered by **New Jersey's Clean Energy Program™**. These programs provide opportunities for you to save energy, money and help protect our climate and shoreline.

HEAT THINGS UP THIS WINTER

Did you know that ceiling fans can help you heat your home more efficiently?

Follow our **winter tips** to learn how you can save energy and money during the colder months. We have energy-saving solutions and **rebates** that will keep you comfortable and put more money in your pocket this winter.

Would you like a contractor to conduct an energy assessment on your home? Learn more about our **Home Performance with ENERGY STAR Program** and its generous rebates!

JOIN US AT THE GARDEN STATE HOME SHOW

Looking for something to do this weekend?

Visit us at the Garden State Home Show where more than 150 home improvement vendors will be available. Make sure energy efficiency is a part of any home repair projects you are considering.

Visit with us at:

Booth #509
Garden State Exhibit Center,
Somerset
January 15 - 17, 2016
