

# Your Power to Save

**866-NJSMART**

**July 2014**

Join the thousands of New Jersey homeowners, businesses and municipalities that have taken advantage of incentives offered by *New Jersey's Clean Energy Program™*. These programs provide opportunities for you to save energy, money and help protect our climate and shoreline.

## REBATES EXTENDED

*Did you know that New Jersey's Clean Energy Program pays thousands of rebates every month? Your friends, neighbors and local businesses are installing energy efficient equipment, getting a rebate and benefiting from lower energy bills.*

Could you use more money in your pocket this summer? Just think of all the ways you could spend that cash if your energy bills were lower. Rebates for New Jersey residents and businesses have been extended through June 2015, and now is a great time find out how you can save too. [Learn more.](#)

## HELP FOR SMALL BUSINESSES

*Sometimes, the biggest challenge to improving energy efficiency is knowing where to start.*

This should help motivate you to get started - small businesses can pay just 30% of the cost of equipment upgrades, with *New Jersey's Clean Energy Program* picking up the remaining cost. Sound like a good deal? It is! Direct Install is a turnkey solution that makes it easy and affordable to upgrade to high efficiency equipment and cut your energy costs by replacing lighting, HVAC and other outdated equipment with energy efficiency alternatives.
