Your Power to Save

July 2015

Join the thousands of New Jersey homeowners, businesses and municipalities that have taken advantage of incentives offered by **New Jersey's Clean Energy Program™**. These programs provide opportunities for you to save energy, money and help protect our climate and shoreline.

NEW REBATES ARE AVAILABLE

Don't miss out on new rebates on energy efficient appliances. Lower your energy bills and add up the savings today!

Appliances

Select ENERGY STAR certified **clothes washers** and **refrigerators** are eligible for a \$50 rebate - plus, select high efficiency models can now receive a \$75 rebate. Select **clothes dryers** are eligible for a \$100 rebate or \$300 for the higher efficiency models.

Search for eligible appliances to get started!

Heating & Cooling

Are you in need of upgrading your cooling equipment this summer or thinking ahead to the winter months? Rebates are available for **heating** and **cooling** equipment upgrades, including a new \$300 rebate for central air conditioners. Be sure to check the website before you start shopping.

Home Performance

Homeowners interested in addressing energy efficiency in their whole house should take advantage of the Home Performance with ENERGY STAR® Program. Improvements like equipment upgrades, air/duct sealing, and insulation may receive current incentives up to \$5,000 until July 31, 2015. New **incentives** start August 1st.

Recycling

Don't forget, we can also **recycle** your old refrigerator - and you get \$50 in return. We'll pick it up for free and even do the heavy lifting!

Start making these home energy improvements today and get ready to watch your savings add up! Call **866-NJSMART** should you have any questions.

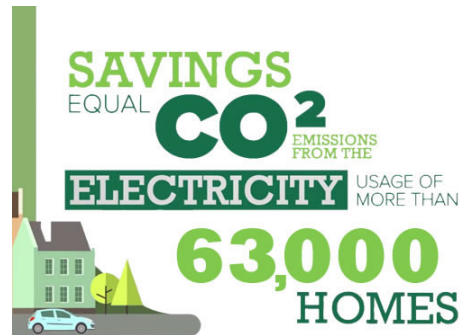

NEW JERSEY'S CLEAN ENERGY PROGRAM IS BUILDING A CLEANER FUTURE

With your help, **New Jersey's Clean Energy Program** has helped reduce energy consumption in our state.

Plus, homeowners and businesses have saved substantial money in energy costs and made the state a healthier and safer place to live and work.
