BACK TO WORK

Our Contractors are ready to help you save energy & money!

With safety in mind, our *New Jersey Clean Energy Program* contractors are ready to help you save energy. New Jersey homeowners can apply for **up to \$4,000** in financial incentives for energy efficiency upgrades, now until September 30, 2020. You may also qualify for **0% interest financing (up to \$10,000 with a 7-year maximum term)** or **0.99% financing (up to \$15,000 with a 9-year maximum term)** to help pay for the upgrades.

Schedule an assessment by contacting one of our participating **accredited and certified contractors**.

NJBPU CLEAN ENERGY STAFF KEEPS BUSINESS MOVING

BPU Clean Energy Staff is working from home, but we are still connecting with the community about how to save energy and money through NJCEP's many programs. Clean Energy Staff has presented at many virtual events on topics ranging from community solar, to Community Energy Plans, to **Energy Savings Improvement Programs** (ESIPs), to EV incentives. Clean Energy Staff also virtually presented about our residential, government and small business incentive programs to local contractors and community groups.

Stay up-to-date with our Clean Energy Staff by checking out our **events calendar**.

NJBPU APPROVES COMPREHENSIVE ENERGY EFFICIENCY PROGRAM

In June, NJBPU released its comprehensive **Energy Efficiency Programs**, which will guide New Jersey's utilities to implement the next generation of efficiency programs to help the state achieve some of the highest energy savings in the U.S.. The programs will lower energy bills and create jobs to strengthen the economy, all in pursuit of Governor Murphy's vision of 100% clean energy for New Jersey by 2050.
